**Briefing & Vesting Rooms** – These rooms are themed as preparatory chambers which lead to the large pharaoh's chamber where their adventures play out. An important part of every guest's experience takes place in the Briefing Room where they receive their playing instructions and the Vesting Room where they suit up into their high-tech laser tag equipment. The glowing flames atop large stone columns and the stone-carved symbols and 3D hieroglyphics create an amazing atmosphere that both entice and excite guests in preparation for their adventures.

**Laser Tag Arena** – Throughout the pharaoh's chamber maze guests are surrounded by large stone-like block columns, ancient 3D hieroglyphic writings and symbols, fallen blocks along the tops of the walls, mummies encased in gold and stone-carved symbols adorning the walls. In the center of the chamber is a 14' tall torch tower with interior-illuminated symbols along its base and sides and a large glowing flame at its top. A large stone-like pharaoh's face watches the adventurers from on high as they embark on their missions, billowing fog and illuminating its glowing eyes to those who dare come near.
